8. If there is difficulty in paying the 2nd half of payment for those without a scholarship, attempts should be made to communicate this and/or work it out together with the association.
9. All checks for Summer Camp are to be made out to Camp Smoky with child's name and Summer Camp written on the memo line. Without attempts to communicate to the associational office regarding payment problems, a child/youth's registration is not completed until paid in full.
