

2018 CAMP SMOKY SUMMER CAMPS
CHILDREN'S CAMPS June 24 - 27 & June 27 - 30
YOUTH CAMP July 15 - 20
(important &/or updated info)

Our association's Summer **Children's Camps** will take on a completely different "look" in 2018. Pastor Sam Steele of Sevier County Missions Church will co-direct with me this coming year's Children's Camps. We will have two shorter camps in one week with the girls separated from the boys. Having separate boys and girls camps is still a common practice across the nation. We will utilize the traditional week of June 24 - 30, 2018. The camps will be called "Adventure Camp I" with the "I" representing the first one or year for these camps. Each camp will be three (3) nights with two (2) full days. The first camp of the two will be the Girl's Adventure Camp I beginning Sunday evening, June 24, 2018, running for three nights culminating on Wednesday morning, June 27, 2018. The second camp of the two will be the Boy's Adventure Camp I beginning Wednesday evening, June 27, 2018, running for three nights culminating on Saturday morning, June 30, 2018. The costs will be \$110 per child and our goal is to spend 100% of that fee on the child for their camp. Another major change is that the camp theme will become even more so a theme of the outdoors through all Bible content and activities. **Youth Camp**, directed by Donny & Lisa Hatfield, is July 15 - 20, 2018. More details for all camps on registration, activities, arrival and departure information will be forth coming in January.
